

Japan Nursing & Nursing Care Course

Japan Nursing Course

This is a course to get a job as a nurse in Japan. Applicants must complete our prescribed training course and partake an interview with a recruiting officer at a Japanese hospital to select a scholarship student.

Those selected as scholarship students will leave Japan for one to two years as an international student at a Japanese language school and receive full tuition (¥600,000 ~¥1,800,000) as a scholarship. They also provide lodging (paid, cheap) and part-time jobs as a nursing assistant (approximately ¥100,000 per month) at the hospital while attending Japanese language school.

Those selected as scholarship students must take the Japanese Language Proficiency Test Level 1 and the Japanese Nurses Test while studying in Japan. If you pass these two exams, you will get a Japanese nurse's license and get a job as a registered nurse in Japan. For reference, if you obtain a nurse's license, you will receive a salary of approximately ¥300,000, and you will receive two bonuses per year (a total bonus of approximately ¥600,000). You will also receive various social security insurance benefits, including medical insurance. Studying in Korea, we hope you have a chance to get a job at a world-class Korean company such as Samsung, LG, and Naver.

Eligibility

- Students or graduates of nursing colleges in Vietnam
- Those who have or are expected to acquire a nurse's license
- Those who have no grounds for disqualification from overseas employment

Japan Nursing Care Course

This course is a course to get a job as a nursing assistant in Japan. Applicants for this course must complete our prescribed training course. At the end of the training course, an interview is conducted for a Japanese hospital facility manager.
