

Japan Nursing Care Course

Japan Nursing Care Course

This course is a course to get a job as a nursing assistant in Japan. Applicants for this course must complete our prescribed training course. At the end of the training course, an interview is conducted for a Japanese hospital facility manager.

Those who pass this interview will begin the preparation process for departure to Japan. The visa is for a total of 5 years, with a 3-year visa initially, which can be extended for an additional 2 years.

Salary will be approximately ¥200,000 to ¥250,000 per month, plus two bonuses per year (bonus total approximately ¥500,000). You will also receive various social security insurance benefits, including medical insurance. Accommodation is provided by the hospital (available, inexpensive).

Eligibility

- High school graduation or higher
- Those who have no grounds for disqualification from overseas employment
